## Shape our future...

Chair of South Yorkshire Probation Board

SOUTH YORKSHIRE

£17,600 pa (part-time)

The future of the National Probation Service rests with people like you. People who are passionate about protecting the public, reducing re-offending - and helping ex-offenders back into meaningful roles within their communities.

Of course, in order to do this in an increasingly challenging and complex world, it takes more than just the right motivation. It takes real leadership and strategic insight; strong on people and financial management; with the ability to drive change and enhance performance. It also takes an open mind, a commitment to celebrating diversity and, above all, the integrity and business acumen needed to make profound, results-oriented decisions that can create our future and turn individual offenders around.

If these are skills you possess - and you can offer up to two days a week as a Probation Board Chair - applying them here means the opportunity to play a major role in transforming the service and, as a result, making a significant difference to the lives of the people in your community.

Closing date for receipt of applications is 15 November 2007 at 5pm. If you would like an application pack please telephone 0207 217 0740 or 0207 217 0741. Interviews will be held in London during late November or early December. If you would like an informal discussion about the post, please contact Julian Fox (Board Secretary) on 0114 276 6911.

The Ministry of Justice is an equal opportunities organisation and welcomes applications for statutory office holders regardless of ethnic origin, religious belief, age, gender, gender identity, sexual orientation, disability or any other irrelevant factor.
