## Managerial & Professional

### Live-In Manager

required to run a busy town centre hotel, restaurant and pub.

Applicants should possess excellent interpersonal skills and proven managerial experience. The successful candidate will be polite, well presented and be able to demonstrate their motivation and commitment to this role.

**If you possess these qualities and more, please call 07876 681000 for further information.**

## Processing Centre Supervisor

£8 PH | 21 hrs/pw incl. Sat & Sun | Additional hours possible

We are looking for a disciplined, productivity driven **Supervisor** to join our processing centre at Kirkstall Industrial Park in Leeds, which prepares donated goods that are sold in our high street branches of Help the Aged.

This new project links Help the Aged with the Probation Service which provides teams of unpaid workers, enabling us to generate extra income and in turn help older people in the community.

You will achieve productivity levels through the supervision of teams of unpaid workers. You will already have the above supervisory experience and be prepared to learn about all aspects of recycling clothing for resale and have an interest and knowledge of high street fashion labels. Full training will be given.

**If you are interested in this exciting new partnership please contact Mrs June Thompson, Help the Aged, Unit 7, Kirkstall Industrial Park, Leeds LS4 2AU. Tel: 01132 798045 or by email at [june.thompson@helptheaged.org.uk](mailto:june.thompson@helptheaged.org.uk).**

**Closing date for applications is: 10th October 2007.**

**HELPTHEAGED WE WILL**

### Doncaster Assistant Manager

Salary in the range £18,000-£23,000

DAWN Environmental seeks a highly motivated Assistant Manager for their kerbside recycling operation, working in partnership with Doncaster Council.

The successful candidate will be a proactive and decisive leader, assisting in the day-to-day management of the kerbside recycling collection service.

Candidates should have a broad range of competencies and must demonstrate excellent motivational and communication skills. Previous experience in the waste management field may be an advantage, but is not essential, proven transferable skills, high levels of enthusiasm and the drive to succeed are equally important.

Responsible for all aspects of managing the recycling collection services and depot operations, you will also be involved with client liaisons and be able to demonstrate the determination to deliver high quality services with high diversion rates.

**The deadline for applications for this post 25 October 2007**

Applications by completed application form only
